

Savile Town CE (C) Infant & Nursery School

Munch Bunch Meeting

Wednesday 24th May 2023

1. **Attended** –, Year 1 and 2 children
Mrs Maniar & Mrs Douglas

2. **School lunch menu** –
 - Mrs Maniar feels that everyone is happy with the salad bar. Children are taking more salad, eggs and pasta
 - However, the children are not taking the potato choices. The children said they don't like the new potatoes we have been having. Others said they are not really bothered about them.
 - Mrs Maniar said we will be trying new recipes in July when the products are available. She said she will bring the choices into the classrooms.

3. **In the hall.**
 - Mrs Maniar said there is less food being dropped on the hall floor.
 - However, it is more noisy and the children are not staying in the line when they come for the trays and cutlery. There seems to be lots of pushing.

4. **Outside** –
 - Outside is ok, but some children have been pretend fighting which we shouldn't do.
 - We have lots to do in the playground.
 - H would like another slide.
 - Q would like a rope swing in the playground.

Lunchtime is a favourite time for some children.

5. **Things to tell our class** :
 - We will be trying a new menu in July. Mrs Maniar will be bringing samples of the food into our classrooms.
 - To remember our indoor voices when we are in the hall.
 - To line up without pushing one another in the queue.

Thank you for all your ideas.
