**Free online courses for Kirklees Residents  
aged 19+**

In times of uncertainty, focus your mind and build your confidence with our online offer.

## **Focusing on Phonics** with Helen

The first and fast way to learn to read is using Phonics. Explore what this means and how children are introduced to phonics in early years and school. Find out how you can help them focus on their sounds to aid reading.

**Fridays 24.09.21- 15.10.21**  
**10.30am - 11.30am**

Attend all four sessions, with 1:1 support available, and complete your learner journal online to complete the course

As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Friendly tutors will help guide you through the processes, no need to worry!

Our training is fun and informal, allowing you to share your own experiences and help each other.
