Mentoring for Health and Wellbeing (New2English) with Jane

in partnership with

Do you want to be able to support others as part of your job role and/or volunteering? Do you want to develop your communication skills? Then consider becoming a mentor. This course will lead onto volunteering alongside a qualified ESOL tutor supporting the delivery of English classes. Provision will be on building language skills and knowledge and confidence to engage in the local community. This is a great opportunity to build your skills and make a difference in the community. After the course we offer further support as you settle into your role.

Fridays 26.02.21 - 26.03.21 - 10.00am- 12.00pm (Course code: FL2021015)

Your maths, their maths, our maths with Caroline

Do you struggle helping your children at home with their maths? Has it been a while since you have done any maths and would like a recap on how to do certain subjects? Are you considering volunteering in schools and would like to refresh your maths skills? This course will look at understanding the different methods that are taught to your child when they are doing their:

- Numberwork – times tables, long division, multiples, prime numbers and factors
- Fractions
- Percentages
- Geometry - shape and space

On this course you will learn how to make maths learning fun and more accessible for both you and your child.

Tuesdays 12.01.21 - 02.12.21 1.00pm- 2.00pm (Course code: FL2021016)

Focusing on Phonics with Helen

The first and fast way to learn to read is using Phonics. Explore what this means and how your child is introduced to phonics in early years and school. Find out how you can help them focus on their sounds whilst at home.

Tuesdays 02.03.21 - 23.03.21 10.00am - 10.40pm (Course code: FL2021017)

Our training is fun and informal, allowing you to share your own experiences and help each other. As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Friendly tutors will help guide you through the processes, no need to worry!
