Do you want to be able to support others as part of your job role and/or volunteering? Do you want to develop your communication skills? Do you want to know how to set goals and know when these have been achieved? Then consider becoming a mentor.

This course will lead onto volunteering alongside a qualified ESOL tutor supporting the delivery of English classes. Provision will be on building language skills (speaking, listening and reading and writing), and knowledge and confidence to engage in the local community. This is a great opportunity to build your skills and make a difference in the community. After the course we offer further support as you settle into your role.

Fridays 18.06.21 - 16.07.21

10.00am - 12.00 noon

Our training is fun and informal, allowing you to share your own experiences and help each other. As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Friendly tutors will help guide you through the processes, no need to worry!
